# GRAHAME ANDREW JAYNE DAVIES TILO SCHEEL

**The best choice for HILTON**

**VOTE GRAHAME ANDREW, JAYNE DAVIES AND  
TILO SCHEEL TO DEMAND A FAIR DEAL FOR  
OUR COMMUNITY**

**LOCAL ELECTIONS - 4TH MAY 2023**

# Which path will you choose on 4th May?

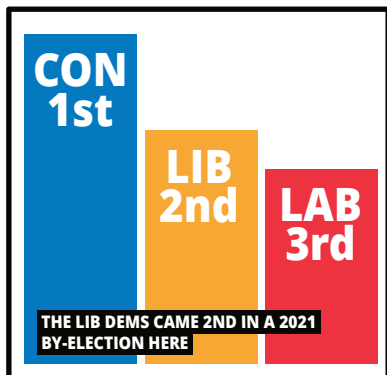

Just another Conservative councillor, who will take your vote for granted.

Both locally and nationally, The Conservative Party has shown time and again that it is out of touch with local people and that it just doesn't care about our community.

Our NHS is in crisis, people are struggling to pay their bills and sewage is being pumped into rivers across the Country. Meanwhile, here in Hilton, local voices are ignored and local issues, such as anti-social behaviour and the poor state of our roads, continue to go unaddressed .

On May 4<sup>th</sup>, make a difference, vote for a local party focused on local issues, and send a clear message to those currently in power that enough is enough and things need to change.

**THIS is your chance to send the Conservatives a clear message...**

In 2021, local candidate Grahame Andrew came second in a by-election here in Hilton, knocking Labour into third place.

On 4<sup>th</sup> May, the best way to beat the Conservatives is to support your local Liberal Democrat team.

**A vote for anyone other than the Lib Dems will only help the Conservatives.**

Your local Lib Dem Team, working hard to give everyone in our community a voice.

Grahame, Jayne and Tilo all live locally and understand the issues facing our community. After years of Conservative complacency, they believe that it's time to demand better for Hilton and to change area for the better.

Some positive reasons to back them on 4<sup>th</sup> May Include:

- ✓ Lib Dems are a party that run local Councils well and work positively with other groups.
- ✓ Lib Dems are a party that is "green", but also supports NATO and stands with Ukraine,
- ✓ Lib Dems will continue to support the Parish Council and the excellent work they do.
- ✓ Lib Dems were the one local group who opposed the decision to close our Recycling Centres
- ✓ Local candidates who are committed to local people and local priorities.
- ✓ Candidates who have listened to people across Hilton.
- ✓ Three candidates who are committed to Public Services and to working to improve them.
- ✓ Three excellent candidates who all live in Hilton (not a neighbouring Ward or a Village far away)

**A VOTE FOR YOUR LOCAL LIB DEM TEAM IS A VOTE TO SEND THE CONSERVATIVES A MESSAGE AND TO DEMAND BETTER FOR OUR COMMUNITY. A VOTE FOR ANY OTHER PARTY ONLY RISKS 4 MORE YEARS WITHOUT CHANGE.**
