

Hilton Focus Team

As many of you will know, we have new District Councillors for Hilton Ward, this also covers Church Broughton, Foston and Scropton, Marston on Dove, Sutton on the Hill and all of the area around Hatton (but not Hatton itself).

As two new Liberal Democrat Councillors myself (Grahame Andrew) and Jayne Davies are keen to get involved with issues to help people with local issues.

We will of course look to work closely with Cllr Sundip Meghani who was elected alongside us as a Conservative Councillor and our County Councillor Julie Patten (also a Conservative).

If you'd like to contact me or Jayne our District Council emails are Grahame.Andrew@SouthDerbyshire.Gov.UK & Jayne.Davies@SouthDerbyshire.Gov.UK

If something is urgent you can call me on my mobile 07906 080079.

We've already made a start raising issues that came up during our campaigning. We reported issues with the Jitty between Willowfields and Egginton Road. We've arranged for the unsatisfactory nature of the Bus Shelter on Derby Road opposite the clock to be discussed at the Parish Council who will now be looking at options to provide something suitable. I've had the opportunity to raise a number of issues with South Derbyshire District Council Chief Executive, Dr Justin Ives, including the lack of TetraPak recycling and the general lack of facilities that some smaller villages have.

We're looking to attend the Parish Council meetings at both Church Broughton and Scropton in the near future and seeing what we can do to help our residents in the area outside Hilton village.

We really appreciate all those who have put their trust in us and voted for a change. We will do all we can to make that change real over the next 4 years.

I hope this page in the magazine will be a regular feature and we'll be able to report being able to make improvements for people in the area.
